FATHERHOOD HONORS AWARD

- Father's Day is a day of honoring fatherhood and paternal bonds, as well as the influence of fathers in our community. There are countless examples of men who have gone above-and-beyond the call of duty to support, assist as well as faithfully serve their family, others, and their community, especially during this extremely challenging time.
- The Prince George's County Commission on Fathers, Men and Boys (CFMB) announces our annual Fatherhood Honors Award that is designed to recognize, celebrate, and honor men who have exemplified the principals of excellence in fatherhood through their character, service, and positive impact upon the lives of individuals, organizations, or their community, consistently in the past year(s).
- You are cordially invited and encouraged to nominate individual men who deserve recognition as a CFMB Fatherhood Honors Awardee. The nominee can be over age 21 who is a father or father-figure that meets the criteria below.

You can submit as many nominations as you would like. Please use a new form for each nomination.
